

Ascension's Music Ministry

As we share together in this exciting time of growth in our congregation, it would be wonderful to see our Music Ministry grow again as well. There are many opportunities for singers and/or instrumentalists to get involved. Last year saw the revitalization of our Children's Choir, and this year we are looking for growth in all areas!

Listed below are the 9 different musical groups that we have at Ascension. We are asking that you list your name, e-mail and phone number and any musical interest/talent you may have. If you know you are interested in a particular choir(s)/ensemble(s) please circle them. Finally, if something over the years has prevented you from getting involved, please explain where indicated. We are looking at many creative ways of growing the program. As an example, last year a simple day and time change more than tripled the size of our children's choir!

Name(s): _____

E-Mail: _____

Phone Number: _____

Musical Interests/Talents: _____

Circle all groups you know that you and/or your children are interested in participating in.....
